The Honorable Kevin McCarthy  
Republican Leader  
United States House of Representatives

Dear Speaker Pelosi and Republican Leader McCarthy,

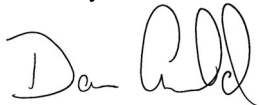

LPL is pleased to support House passage of the *Securing a Strong Retirement Act of 2022*. We sincerely appreciate the efforts of the House Committee on Ways and Means and the House Committee on Education and Labor to enhance retirement savings opportunities for all Americans.

This legislation would dramatically increase retirement security, especially among employees of small businesses. In this regard, the *Securing a Strong Retirement Act* would address both pre-existing retirement security challenges and the increased challenges created by the coronavirus crisis. There are so many individuals facing a great need to rebuild their retirement savings, and the proposals in these bills would provide them with the opportunity to do exactly that.

The *Securing a Strong Retirement Act* has overwhelming bipartisan support. Therefore, we ask for your assistance in advancing this key piece of legislation by bringing it to the House Floor for consideration as soon as possible.

Thank you for your leadership. Please contact Nicole Petrosino, Office of Government Relations, at [Nicole.Petrosino@lplfinancial.com](mailto:Nicole.Petrosino@lplfinancial.com) with any questions or concerns. We look forward to working with you to enact this much needed legislation.

Sincerely,

Dan Arnold
